environment & planning a

international journal of urban and regional research · volume 24 1992 · a pion publication

Editors
N J Thrift Department of Geography, University of Bristol, Bristol, BS8 1SS, England
P L Knox Urban Affairs, Virginia Poly Institute and State Univ., Blacksburg, VA 24061, USA
R J Johnston University of Essex, Wivenhoe Park, Colchester, Essex CO4 3SQ, England
W A V Clark Dept of Geography, University of California–Los Angeles, CA 90024, USA

Honorary editor
A G Wilson School of Geography, The University of Leeds, Leeds LS2 9JT, England

Book reviews editor
T Barnes Dept of Geography, Univ. of British Columbia, Vancouver, V6T 1W5, Canada

Editorial assistant
R J P Whitehead 19 Dunstarn Lane, Leeds LS16 8EN, England

Contributions should be sent in triplicate in the first instance to the Editorial assistant or to one of the editors familiar with the subject. Submission of a paper implies acceptance of the following three conditions: (1) the paper reports unpublished work; (2) the paper is not being submitted to any other journal; (3) if accepted, the paper will not be republished without the consent of the publishers. The editors' decision is final.

Contents

Volume 24, number 1
Special issue: Industrial restructuring and continental trade blocs

Announcement: A new Editor 1

Commentary

Industrial restructuring and continental trade blocs: The European Community and North America M Gertler, E Schoenberger 2

Europe 1992 and strategic change in the international automobile industry P Dicken 11

Pharmaceuticals and Europe 1992: the dynamics of industrial change J Howells 33

Liberalisation and consolidation: the Single European Market and the remaking of European financial capital A Leyshon, N J Thrift 49

International investments and the European challenge M de Smidt 83

The continental integration of the North American automobile industry: from the Auto Pact to the FTA and beyond J Holmes 95

Recent Canadian direct investment in the United States: an empirical perspective from Western New York A D MacPherson, J E McConnell 121

Determinants of bilateral operations of Canadian and US commercial banks J W Harrington Jr 137

International trade relations and regional industrial adjustment: the implications of the 1982–86 Canadian–US softwood lumber dispute for British Columbia R Hayter 153

Volume 24, number 2

Commentaries

The value of information: a personal commentary with regard to government data bases J R Beaumont 171

Privatization of housing in St Petersburg, Russia G Yeremicheva, N Kulish 176

Interurban migration and the dynamics of a system of cities: 1. The stochastic framework with an application to the French urban system G Haag, M Munz, D Pumain, L Sanders, Th Saint-Julien 181

An assessment of planting flexibility options to reduce the excessive application of nitrogen fertilizer in the United States of America W-Y Huang, N D Uri 199

Adelaide's heart transplant, 1970–88: 1. Creation, transfer, and capture of 'value' within the built environment B A Badcock 215

Local economic performance in Britain during the late 1980s: the results of the third Booming Towns study A G Champion, A E Green 243

Innovation and technological change: an Austrian–British comparison N Alderman, M M Fischer 273

Strategies for solving large location-allocation problems by heuristic methods P J Densham, G Rushton 289

Reviews 305

Volume 24, number 3

Congratulations 317

Commentaries

The road to Rio D W Pearce 319

GIS—what crisis? G L Clark 321

Adelaide's heart transplant, 1970–88: 2. The 'transfer' of value within the housing market B A Badcock 323

Space–time interactions in multiregion disease modelling R W Thomas 341

Property-led urban regeneration: panacea or placebo? I Turok 361

The state, the market, and competitive strategy: the housebuilding industry in the United Kingdom, France, and Sweden J Barlow, A King 381

Competing structural and institutional influences on the geography of production in Europe A Amin, A Malmberg 401

Writing futures, rewriting pasts. *Urbanization in Post-Apartheid South Africa*: a review essay J Pickles 417

Equilibrium and nonequilibrium statistical thermodynamical approaches to modeling spatial interaction dynamics P B Slater 441

Reviews 447

Volume 24, number 4

Commentary

Further thoughts on geography and GIS: a reply S Openshaw 463

Optimum producer-service location B Lentnek, A MacPherson, D Phillips 467

The pattern of counterurbanization in the Federal Republic of Germany, 1977–85 P S Kanaroglou, G O Braun 481

Comparison of Boolean and fuzzy classification methods in land suitability analysis by using geographical information systems G B Hall, F Wang, Subaryono 497

Residential choice behaviour of dual earner households: a decompositional joint choice model H Timmermans, A Borgers, J van Dijk, H Oppewal 517

An application of linear programming and geographic information systems: cropland allocation in Antigua J C Campbell, J Radke, J T Gless, R M Wirtshafter 535

Britain, the European Community, and the centralisation of production: theory and evidence, freight movements M Chisholm 551

Labour-market dualism: evidence from a survey of households in the Southampton city-region S P Pinch, A Storey 571

Balanced growth and stability of the Leontief dynamic model: an analysis of the Italian economy D Campisi, A Nastasi, A La Bella 591

Reviews 601

Volume 24, number 5

Special issue: 'Real' regulation

Commentary

'Real' regulation G L Clark 613

'Real' regulation: the administrative state G L Clark 615

Spatial categories, legal boundaries, and the judical mapping of the worker J C Bakan, N K Blomley 629

Place, power, and medical liability insurance in the United States I Hay 645

Structural constraints and pluralist contradictions in hazardous waste regulation R W Lake, L Disch 663

Some spatial aspects of regulatory and technological change in telecommunication industries P Cooke 683

Problematic status of corporate regulation in the United States: towards a new moral order G L Clark 705

Antitrust regulation and the restructuring of grocery retailing in Britain and the USA 727
N Wrigley

'Real' regulation reconsidered P Marden 751

Review 769

Volume 24, number 6

Commentary

Globalisation and agricultural international trade W Moran 771

The Anniversary Award: Editors' Note 774

Heterogeneity, spatial population dynamics, and the migration rate A Rogers 775

From the Weber problem to a 'topodynamic' approach to locational systems 793
L N Tellier

A new consumption cleavage? The case of residential care for the elderly 807
